Larry Gottesman
Environmental Protection Agency

Dear Mr. Gottesman,

Pursuant to the federal Freedom of Information Act, 5 U.S.C. 552, I request access to and copies of all records since Jan. 1, 2011 related in any way to the Renewable Fuel Standard (RFS) and/or Renewable Identification Numbers (RIN) and involving **David Korotney**.

This request includes, but is not limited to, all emails, other correspondence, correspondence logs, congressional correspondence, records of meetings, records of appointments and visitor logs.

I also request all other FOIA request letters seeking any of the information being sought in this request, all other communication related to the requests and all responsive materials provided to requesters.

Please justify each deletion separately by reference to specific exemptions of the Act, and release all reasonably segregable portions of otherwise exempt material.

Include information contained in the material that otherwise would be considered non-responsive to the specific request. Please exercise your discretion and release information that could be considered technically exempt.

I will only modify this request in writing, not via telephone.

If any portion of the requested records is exempt from disclosure, considered too voluminous or denied for any other reason, please provide an index of those documents, as required under Vaughn v. Rosen, 484 F.2d 820 (D.C. Cir. 1973), cert. denied, 415 U.S. 977 (1972).

I agree to pay up to \$150 for costs associated with this request. Please notify me if the costs exceed that amount and provide a detailed invoice.

I look forward to your reply within 20 business days, as the statute requires.

Thanks for your assistance.

Yours very truly,

Russell Carollo
